## Laboratory Incubators

Cooled incubators are ideal for microbiology or any application where precise and consistent temperatures at or below room temperature are demanded. Available in a range of sizes from a small benchtop model through to a large 600 litre unit constructed from mild steel with stainless steel interior, these new cooled incubators from Labcold all feature fan air circulation for even temperature distribution and microprocessor controlled temperature regulation for improved accuracy and stability.

## RLCG0100 Labcold Cooled Incubator with Glass Door

**Product Code: FPD-10110**

**Dimensions:** 810mm H x 480mm W x 530mm D

- Benchtop controlled temperature incubator for maintaining samples at temperatures accurately controlled within the range +5 to +40°C.
- Capacity: 88 litres (gross)
- Door Type: Glass
- Construction: White enamel exterior, Stainless steel interior, Double glazed door.
- Shelves supplied: 2; Plastic coated wire mesh
- Microprocessor temperature control with digital display
- Temperature precision: better than  $\pm 0.5^{\circ}\text{C}$  at +5°C
- Fan circulated interior
- CFC and HFC free
- Manual defrost with condensate drain
- Maximum ambient temperature: +32°C

**RLSD01502 Labcold Cooled Incubator with Solid Door**

**Product Code: FPD-10112**

**Dimensions:** 820mm H x 600mm W x 600mm D

- Temperature controlled incubator for maintaining samples at temperatures accurately within the range +5 to +40°C.
- Capacity: 150 litres (gross)
- Construction: White enamel exterior, moulded plastic interior.
- Shelves supplied: 3; Plastic coated wire mesh
- Microprocessor temperature control with digital display
- Temperature set-point range: +5 to +40°C
- Temperature precision: better than  $\pm 0.5^{\circ}\text{C}$  at +5°C
- Fan circulated interior
- Integral Handle
- Door Lock
- CFC and HFC free
- Manual defrost with condensate drain
- Maximum ambient temperature: +32°C

## RLSD0300 Labcold Refrigerated Cooled Incubator - Solid Door

**Product Code: FPD-10113**

**Dimensions:** 1487mm H x 600mm W x 650mm D

- This 300 litre cooled incubator is ideal for microbiology or any application where precise and consistent temperatures at or below room temperature are required. With a robust painted steel interior and exterior and fully adjustable shelves, this incubator is versatile and built to last.
- Capacity (Litres) 300
- Config: Freestanding
- Weight 75kg
- Energy Consumption 0.9kWh/24hr
- Operating Temperature +5°C to +40°C
- Interior Construction Painted Steel
- Exterior Construction Powder Coated steel
- Door Style Solid
- Door Hinging Right
- Lock Manual Key
- Shelves 3
- Shelf dimension (WxD) 495 x 460mm
- Spare shelves available
- Temperature display
- Microprocessor controlled temperature regulation
- Fan assisted temperature control
- Access Port
- Eco Friendly Refrigerant

## Delivery

**48 Hour delivery is available on most refrigerators through-out the UK mainland, larger units may require a longer lead time, please contact our sales staff whilst ordering.**

Approximate Delivery lead times can be confirmed during our quotation process, typical delivery time is 10-14 days from receipt of payment.

\*\*Drivers will not carry goods into buildings.

Goods normally arrive by truck on a pallet and are delivered Kerbside. Please note you may need lifting equipment or a number of strong workers to handle the order when it arrives. If you have any special requirements please [contact us](#).

Report any damages or shortages immediately, please read delivery notes carefully and use contact numbers provided or call FPD Group Ltd.

For more detail refer to [FPD Group Ltd Terms and Conditions](#) documentation.

\*\*Large Products will require a two person delivery and installation, this is built into the price, the larger fridges also may require a longer delivery time of 3-4 weeks please check whilst ordering.

**48** HOUR  
DELIVERY  
AVAILABLE

## Pharmacy Fridge Exports

Since 1961 FPD Group Ltd's family have been supplying medical equipment. Our extensive experience and technical knowledge now concentrates on providing clients with a quality selection of products for hospitals and healthcare organisations worldwide. We receive export enquiries and orders from all parts of the world and have established customers in UK, Europe, Africa and Asia. Export business activities are supervised by either our UK or Asia offices.

Our client base ranges from overseas ministry of health, defence, hospitals, surgeries, clinics and doctors to aid agencies and disaster relief. FPD Group Ltd export almost any medical product listed on our websites.

FPD estimators have the expertise to supply a single item or to fully equip many types of healthcare facilities. As well as the initial supply of equipment we also offer room design services using our in-house Autodesk Revit Architecture 2013 CAD systems.

*\* Export items are normally subject to minimum order values, additional protective packing charges and export shipping costs. Prices shown are Ex Works unless otherwise agreed in writing.*

## About Pharmacy Fridge

Pharmacy Fridge supply a wide range of fridges meeting the specifications of the healthcare industry. To buy simply add your required product to the shopping cart and submit your order.

For dispensary, surgery, ward and general use for the storage of drugs and vaccines under controlled conditions in line with the "Code of Ethics and Standards" of the Royal Pharmaceutical Society of Great Britain. Where necessary to achieve the required temperature control internal air-circulating fans are fitted.

Temperature display, alarms, max/min temperature recording, and door locks are standard and all models are CFC, HCFC and Ammonia free.

Are you storing your vaccines correctly? Recent research has shown an alarming level of use of domestic refrigerators to store vaccines. Did you know that not only can this damage the effectiveness of the vaccines it also poses a security risk for medicines that should be locked away?

## FPD Group Ltd

FPD Group Limited is a family business with over 50 years experience in the supply and installation of a wide range of Healthcare Equipment, Medical Refrigeration and Hygienic Storage Furniture. Our customer base includes organisations such as NHS Trusts, PCT's, HMP Prison service, Ministry of Defence, GP Practices, Pharmacy Shops and Dispensaries, Universities, Schools, Dental Practices, Laboratories, Veterinary Practices, Care Homes and Private Buyers. We also export to the Irish Republic, Asia, United Arab Emirates and Qatar. In the UK the Company is based in Exeter, Devon with an additional office in Asia.

Our product range includes pharmacy storage solutions, refrigeration, controlled drugs storage, medical trolleys, clinical waste bins, medical lighting solutions, medical and healthcare furniture ranges and a number of bespoke solutions on request.

FPD Group has an in-house CAD visualisation department and accepts most file formats from your architects' plans, please ask for a quotation.

We are fully committed to the provision of a comprehensive range of professional products, services and furniture. Our philosophy is to provide a complete and appropriate solution to our customers' requirements.
