LEC WR207C Ward Refrigerator 82 Litre

Product Code: FPD-09812

Dimensions: 660mm H x 502mm W x 540mm D

Internal Dimensions: 540mm H x 419mm W x 315mm D

- +1°C to +5°C set temperature - Operates at +3°C to conform to the requirements of Food Hygiene Regulations
- External digital controller - For temperature readings without having to open the door, so preventing unnecessary temperature fluctuations within the fridge
- Lock and two keys - For improved safety, accountability and security over domestic refrigeration, a lockable fridge helps prevent unauthorised access to valuable and dangerous contents
- Fan assisted - To aid the flow of cool air around the fridge, eliminating temperature variations to keep the contents at a consistent temperature. Also speeds up temperature recovery after door opening
- Audible and visual high and low temperature alarms - To alert anybody nearby as soon as the temperature begins to go too high or low, so that action can be taken to rectify the problem and prevent damage to the contents
- Reversible door - For maximum versatility in sometimes limited working spaces
- Small countertop size - For limited space needing medical refrigeration
- External Finish: White painted steel
- Internal Finish: White plastic
- Type of plastic: HIPS / ABS Mix
- Colour: White/green
- Door Type: Solid - Hinged, reversible
- Door Open Depth: 976mm
- Temperature Display on Panel
- Two Wire Shelves
- Shelf Size: 440x275x6mm
- Automatic Defrost
- Climate Class: N
- Refrigerant Type: R134a
- CFC Free, HFC Free, HCFC Free
- UK 3 Pin Plug, Voltage Supply: 230V
- Noise Level (dB): <43
- Insulation Thickness: 30mm
- Insulation Type: Cyclopentane
- Energy Consumption kw/24h: 1.1

Delivery

Typical Lead Time: 10-14 Days from receipt of payment.

LEC WSR151UK Ward Refrigerator 151 Litre

Product Code: FPD-09813

Dimensions: 845mm H x 595mm W x 635mm D

Internal Dimensions: 705mm H x 500mm W x 450mm D

- Set temperature - Operates at +3°C to keep food fresher for longer
- External digital controller accurate to 0.1°C - For precise temperature readings without having to open the door, so preventing unnecessary temperature fluctuations within the fridge
- Anti microbial handle - To help prevent the spread of bacteria and infection
- Lock and two keys - For improved safety, accountability and security over domestic refrigeration, a lockable fridge helps prevent unauthorised access to valuable and dangerous contents
- Fan assisted - To aid the flow of cool air around the fridge, eliminating temperature variations to keep the contents at a consistent temperature. Also speeds up temperature recovery after door opening
- Audible and visual high and low temperature alarms - To alert anybody nearby as soon as the temperature begins to go too high or low, so that action can be taken to rectify the problem and prevent damage to the contents
- R600a refrigerant - Environmentally friendly refrigerant with a reduced level of carbon dioxide given off, reduces running costs by reducing how hard the compressor has to work to keep the fridge cool
- Open door alarm - To prevent spoilage from raised internal temperature and illicit entry if the door is left open
- Reversible door - For maximum versatility in sometimes limited working spaces
- Roller castors - To make the fridge easier to move for cleaning and maintenance

Delivery

48 Hour delivery is available on most refrigerators through-out the UK mainland, larger units may require a longer lead time, please contact our sales staff whilst ordering.

Approximate Delivery lead times can be confirmed during our quotation process, typical delivery time is 10-14 days from receipt of payment.

**Drivers will not carry goods into buildings.

Goods normally arrive by truck on a pallet and are delivered Kerbside. Please note you may need lifting equipment or a number of strong workers to handle the order when it arrives. If you have any special requirements please [contact us](#).

Report any damages or shortages immediately, please read delivery notes carefully and use contact numbers provided or call FPD Group Ltd.

For more detail refer to [FPD Group Ltd Terms and Conditions](#) documentation.

**Large Products will require a two person delivery and installation, this is built into the price, the larger fridges also may require a longer delivery time of 3-4 weeks please check whilst ordering.

FPDGROUP[™]

Pharmacy Fridge Exports

Since 1961 FPD Group Ltd's family have been supplying medical equipment. Our extensive experience and technical knowledge now concentrates on providing clients with a quality selection of products for hospitals and healthcare organisations worldwide. We receive export enquiries and orders from all parts of the world and have established customers in UK, Europe, Africa and Asia. Export business activities are supervised by either our UK or Asia offices.

Our client base ranges from overseas ministry of health, defence, hospitals, surgeries, clinics and doctors to aid agencies and disaster relief. FPD Group Ltd export almost any medical product listed on our websites.

FPD estimators have the expertise to supply a single item or to fully equip many types of healthcare facilities. As well as the initial supply of equipment we also offer room design services using our in-house Autodesk Revit Architecture 2013 CAD systems.

** Export items are normally subject to minimum order values, additional protective packing charges and export shipping costs. Prices shown are Ex Works unless otherwise agreed in writing.*

About Pharmacy Fridge

Pharmacy Fridge supply a wide range of fridges meeting the specifications of the healthcare industry. To buy simply add your required product to the shopping cart and submit your order.

For dispensary, surgery, ward and general use for the storage of drugs and vaccines under controlled conditions in line with the "Code of Ethics and Standards" of the Royal Pharmaceutical Society of Great Britain. Where necessary to achieve the required temperature control internal air-circulating fans are fitted.

Temperature display, alarms, max/min temperature recording, and door locks are standard and all models are CFC, HCFC and Ammonia free.

Are you storing your vaccines correctly? Recent research has shown an alarming level of use of domestic refrigerators to store vaccines. Did you know that not only can this damage the effectiveness of the vaccines it also poses a security risk for medicines that should be locked away?

FPD Group Ltd

FPD Group Limited is a family business with over 50 years experience in the supply and installation of a wide range of Healthcare Equipment, Medical Refrigeration and Hygienic Storage Furniture. Our customer base includes organisations such as NHS Trusts, PCT's, HMP Prison service, Ministry of Defence, GP Practices, Pharmacy Shops and Dispensaries, Universities, Schools, Dental Practices, Laboratories, Veterinary Practices, Care Homes and Private Buyers. We also export to the Irish Republic, Asia, United Arab Emirates and Qatar. In the UK the Company is based in Exeter, Devon with an additional office in Asia.

Our product range includes pharmacy storage solutions, refrigeration, controlled drugs storage, medical trolleys, clinical waste bins, medical lighting solutions, medical and healthcare furniture ranges and a number of bespoke solutions on request.

FPD Group has an in-house CAD visualisation department and accepts most file formats from your architects' plans, please ask for a quotation.

We are fully committed to the provision of a comprehensive range of professional products, services and furniture. Our philosophy is to provide a complete and appropriate solution to our customers' requirements.
